MINATO

JAPANESE BUFFET

Minato Japanese Buffet recently opened its newest location on Pines Boulevard at the corner of NW 98th Ave. They offer the largest buffet dining experience in Pembroke Pines with food that is fresh and plentiful with lots of choices. It is a perfect choice for a family as they have a wide variety of non-seafood and vegetarian offering as well as fresh sushi. The restaurant offers a refreshingly modern interpretation of classic dishes.

The Food

The challenge with any buffet restaurant is balancing choice with quality. Minato tackles this challenge by offering an exceptionally broad selection with relatively high-end dishes. In addition to a large number of sushi rolls, they offer prime rib, snow crab, steak, prime rib, and a full hibachi grill station. It would take three or four visits to simply sample everything on offer.

Best Roof Treatment & Cleaning

Roof-a-cide

www.roof-a-cide.com

800-806-6727

While working with large scale roofers and manufactures, Roof-A-Cide recognized a void for proper roof maintenance and stain prevention. Since cleaning options were limited, most people were forced to resort to pressure cleaning or harsh chemicals like Chlorine Bleach and the damaging process of repeated roof cleaning was considered “unavoidable.”

Roof-A-Cide is the only EPA-approved, non-toxic alternative to Roof Cleaning that’s also approved by every major roof manufacturer of Shingle, Tile, and Stone-Coated Steel roofs including CertainTeed, GAF, Boral, Monier LifeTile, US Tile, Gerard, Metro, and Entegra. Roof-A-Cide safely and cost-effectively prevents roof stains for years with each spray – eliminating the need for repeated roof cleaning and the potential damage associated with it.
