Spring Forward into Summer

April has arrived in South Florida, bringing with it longer days, warmer sunshine, and the unmistakable energy of spring. It's a season that reminds us how quickly things can grow and change, encouraging all of us to look ahead and make the most of the months to come.

Spring has long been associated with fresh starts and new possibilities.

After the cooler months of winter, April feels like an invitation to step outside, spend time with family and friends, and take advantage of everything our community has to offer. From neighborhood events to afternoons in the park, this time of year reminds us why South Florida is such a wonderful place to live.

In this month's edition, we're proud to present our Annual Summer Camp Guide, designed to help families start planning for the months ahead. Summer camps provide children with opportunities to learn new skills, build friendships, and create lasting memories. Whether your child is interested in sports, the arts, science, technology, or outdoor adventure, our guide highlights a wide variety of camps that offer something for every interest.

Planning ahead helps ensure that kids have a summer filled with discovery, creativity, and fun. Camps can give children the chance to explore new passions, gain confidence, and stay active while school is out. We hope this guide makes it easier for families to find the perfect fit.

As we move deeper into spring, take time to enjoy the longer evenings, the vibrant greenery, and the sense of renewal that this season brings. April is a wonderful reminder that exciting days are ahead.

Here's wishing you a fantastic spring and a summer full of great experiences.

Sincerely,

Christy & Terry Jailliet

Andrea L. Jakob, PA

Helping Davie Families Secure Their Legacy

Protecting the people you love starts with having a clear plan in place. For Estate Planning and Probate Attorney Andrea Jakob, who is also a mother of two daughters, helping families create that plan is both a personal and professional mission.

Through her firm, Andrea L. Jakob, PA, Andrea assists families in designing thoughtful estate plans that provide comfort, stability, and peace of mind. Since 2013, she has operated from the same business complex in Davie, building lasting relationships with families throughout Davie, Cooper City, Southwest Ranches, and nearby communities.

Many clients return over time to update their plans as their children grow up, their parents age, or their life circumstances change.

Andrea and her team, which includes bilingual staff members and associate attorneys, work closely with each client to craft plans that reflect their unique goals and family dynamics.

"My goal is to help families organize their lives today so their loved ones have clarity, stability, and guidance when it matters most," Andrea says.

At its core, estate planning is simply the process of organizing your life. "Too often, families find themselves trying to piece together information during a crisis," Andrea explains. "Having a plan in place allows them to focus on each other instead of dealing with legal complications."

More Than Just Documents

At Andrea L. Jakob, PA, estate planning goes far beyond signing legal paperwork.

While clients leave with carefully prepared documents, such as Wills, Trusts, Powers of Attorney, and Deeds, they gain reassurance that their affairs are organized and that their loved ones will know what to do if the unexpected occurs.

When the right plan is in place, families aren't left guessing about decisions, searching for information, or navigating legal complications during an already emotional time.

Each estate plan is tailored to reflect a client's wishes, protect assets, and provide clear guidance for loved ones. The firm's streamlined process allows clients to spend less time at the lawyer's office and more time living their lives.

Recognized and Trusted

Andrea and her firm are repeat winners of Our City's Best of Davie awards, reflecting their commitment to exceptional service and client care.

Many Davie families face unique estate planning needs, including international relatives, blended families, multiple properties, or complex financial situations. Andrea's local roots and legal experience allow her to guide families through these challenges with clarity and confidence.

The Right Time to Start

Estate planning is important at every stage of life. Major milestones—such as marriage, welcoming children, buying property, or approaching retirement—are key moments to create or update a plan.

Andrea also offers a plan designed for college students, helping young adults maintain their autonomy while ensuring trusted family members can step in if medical or financial decisions need to be made.

For young couples and growing families, documents such as Health Care Directives and Powers of Attorney help ensure decisions can be made smoothly during illness or incapacity.

“Keeping your plan updated as your life changes is critically important,” Andrea explains. “A well-organized plan helps families move forward with confidence when they need it most.”

With thoughtful planning and the right guidance, families can face the future with confidence.

At Andrea L. Jakob, PA, Andrea Jakob helps clients put those plans in place—so their loved ones are prepared, protected, and supported when it matters most.

VIVIAN FAZIO

FOUNDER
FAZIO INJURY LAW

ADVOCATING FOR CLIENTS WHEN THEY NEED IT MOST

Vivian Fazio is the founder of **Fazio Injury Law**, where she is dedicated to making sure every client feels seen, supported, and fiercely represented. From the first phone call to the resolution of a case, her focus is on delivering exceptional service and obtaining the best possible outcome. She and her team fight for clients during some of the most difficult moments of their lives, helping them secure medical care and compensation, so they can move forward after serious injuries.

STRENGTH FORGED EARLY

A native South Floridian, Vivian grew up in Fort Lauderdale with a love of reading and a passion for athletics. As a young girl, she was dedicated to competitive gymnastics and later, during high school, competitive cheerleading. During this time, Vivian was diagnosed with scoliosis and had to wear a back brace for years. That experience shaped her deeply. Living with physical discomfort and feeling different at a young age taught her empathy, mental toughness, and resilience, qualities that continue to define her work today.

LEADING WITH COLLABORATION AND RESILIENCE

Vivian describes her leadership style as collaborative and team-centered. She values input, encourages growth, and believes the strongest outcomes come from working together with respect and shared purpose. Even in the face of setbacks, she remains focused on problem-solving and learning.

The personal trait she credits most for her success is resilience. For Vivian, life's challenges are not roadblocks, but opportunities to stay true to your values, keep moving forward, and ultimately come out stronger on the other side.

REBECCA MASEL

OWNER/ARTISTIC DIRECTOR
ARTISTRY DANCE ACADEMY

INSPIRING THE NEXT GENERATION THROUGH DANCE

Rebecca Masel is the owner and artistic director of **Artistry Dance Academy**, where she teaches foundational classes for the studio's youngest dancers while also overseeing the training and growth of company and non-competitive students. Her mission is to make a positive impact on every child, helping students develop not only a love for dance, but also discipline, confidence, dedication, and goal-setting skills that will serve them for life.

A DREAMER WHO BECAME A ROCKETTE

Raised in Lexington, Kentucky, Rebecca was a driven child who learned early to dream big. Inspired by her older sister, Diana, she fell in love with dance at just two years old. On her first trip to New York City at age eight, after watching the Radio City Rockettes, she declared that one day she would join their famous kickline. She went on to make that dream a reality, becoming a Radio City Rockette as an adult.

That belief in dreaming boldly continues to shape her work today, both in her own life and in the lives of the students she mentors.

LEADING WITH LOVE AND EXAMPLE

For the past nine years, Rebecca has carried forward the legacy of **Artistry Dance Academy**, a studio long known for high-quality instruction in the Davie community. She sees her role as about far more than teaching dance steps. She believes dance educators are part of the village helping raise the next generation, instilling teamwork, drive, and self-belief.

Rebecca describes her leadership style as leading by example. She expects her faculty and staff to show students love and support every day, and she models that same care in everything she does.

Grateful for the support of the Davie community, Rebecca remains committed to helping young dancers turn their own dreams into reality.

ESCAPE WITHOUT THE EFFORT

Relaxation, Romance, & A Bit of Fun at the Ocean Allure Costa Mujeres

by Terry Jaillet

Sometimes, the best vacations are the ones that feel the farthest away without actually being far at all. Last month, we escaped to Ocean Allure Costa Mujeres in Cancun, Mexico and quickly realized it's the kind of place where "busy" means choosing between floating the lazy river or ordering another frosty drink.

The brand new, adults-only, all-inclusive resort sits along the pristine shores of Costa Mujeres, just north of the neon lights of Cancun.

From the moment we arrived, there was a noticeable shift in pace. The design sets the tone immediately. Light-filled spaces, soft ocean-inspired colors, and low-rise architecture blend seamlessly with the surrounding beach and tropical landscape. It is cultured without feeling overdone, and calming without feeling dull.

It serves as a modern coastal refuge that feels worlds away from the daily grind, yet remains incredibly accessible for those flying out of MIA or FLL.

Play Like a Kid, Without the Kids

While relaxation comes effortlessly at Ocean Allure, it's anything but sleepy. It has a full lineup of fun activities, including a foam party, name that tune and a silent disco. And because it's adults-only, you can channel your inner spring breaker without dodging cannonballs or tiny toes.

We honed our skills on one of the resort's three pickleball courts and enjoyed sunrise yoga on the resort's exclusive Privilage Rooftop Bar. While neither of us had the guts to try out the resort's surf wave simulator, we did enjoy a float or two around the lazy river, with a margarita in hand. There is even a bowling alley and virtual golf for something a bit different.

In the evenings, the resort comes alive with music, shows, and entertainment that add energy without overwhelming the laid-back vibe.

Culinary Journeys

Dining is a major part of the experience, and Ocean Allure does not

disappoint. Our favorites were their restaurants that featured local fare. Pez Dama, located right by the beach, was our go-to for lunch thanks to its tasty shrimp ceviche and relaxed, oceanfront setting. It is the kind of place where you can linger over a beachy cocktail and Baha tacos while listening to the sounds of crashing waves.

We also enjoyed Margarita, the resort's upscale Mexican restaurant. The pork shank pibil was a delight, and something neither of us had tried before. Beyond those, the resort offers everything from Italian classics and Teppanyaki to French cuisine and a classic steakhouse, ensuring every night offers something new.

Wellness at the Spa

If you want to fully embrace vacation mode, the Despacio Spa Centre is a must. It features a large hydrotherapy circuit, a sauna, a steam bath, and a full menu of treatments.

We both enjoyed the spa's 80-minute aromatherapy massage and left fully refreshed.

Easy to Reach, Hard to Leave

What truly makes Ocean Allure Costa Mujeres stand out, though, is how easy it is. From South Florida, you can leave in the morning and be poolside by noon. There is no long-haul travel, no complicated planning, just a seamless transition from routine to relaxation.

For couples looking to reconnect, recharge, and enjoy a little carefree fun together, Ocean Allure Costa Mujeres hits the mark. It offers the rare combination of convenience, true escape, and fun. A place close enough to get to easily, yet far enough away to remind you what it feels like to slow down.

And sometimes, that is exactly the kind of getaway you need most!

ASK THE EXPERT

UNEXPECTED CAVITIES

by Dr. Maria Maranzini-Grosman

Almost daily, we have a child come in to our office with many more cavities than anticipated. In some instances, they are “regulars” coming in for their six-month checks and everyone present attests to their daily brushing ritual. Still, in a relatively short period of time, these cavities have formed between the teeth. To understand this situation better, it is

helpful to look at the underlying causes of cavities.

In order to form a dental cavity, there are certain ingredients which are a must. First of all, cavity causing bacteria must be present. The most notable of these bacteria are the Streptococcus Mutans. Although the thought of bacteria entering the mouth is an unsavory one, it is a fact of life. In fact, these bacteria make a home in our mouth at a very early age and are usually transmitted unintentionally by a child’s caregiver (i.e. when blowing on a hot spoon during feeding time).

The bacteria colonize on our teeth and form a plaque. They use sugars we ingest to increase the size of the plaque. Byproducts from these colonies are acidic. This decrease in pH begins the process of breakdown of the tooth’s outer layer, the enamel. Once this shell is accessed, the bacteria can start to travel through the tooth. Therefore, the main players are bacteria, sugar, and acidity.

We recommend brushing and flossing to reduce the quantities of bacteria and remove sugars left behind after meals. Fluoride can be used to strengthen the enamel. Xylitol products are showing some promising data in the ability to limit the effectiveness of the bacteria. Still, a person who brushes/flosses and goes to the dentist for cleanings and fluoride application can still have cavities depending on intake of certain foods and liquids.

As it turns out, consumption of sugar is not the only advantage that our diet provides the bacteria. Many of the foods and beverages we are consuming are acidic and therefore lower the overall pH in the mouth speeding the process of cavity making. For example, diet soda may have no simple sugars useful to the bacteria, but the carbonation creates a very acidic oral environment. Studies have shown that many of the popular sports drinks are more acidic than batteries used for small appliances. After a little digging, we usually find out that the unexpected cavities are preceded by the intake of acidic beverages.

The bad news is that our modern diet is full of sugary acidic foods. Our children’s heroes promote them in every marketing medium.

Our office philosophy is not to deny our children their treats, but rather to modify eating habits and limit the periods of exposure to certain foods. For example, a child who drinks a sports drink after practice should do so at one sitting rather than doing so throughout the day. We recommend rinsing with water after consuming acidic drinks as it is very effective at balancing pH. If hard candy is eaten, brushing should be done. Sugary snacks should be eaten with meals. Snacks eaten between meals should be of a healthier variety, like fruits veggies and granola. The idea is to be creative rather than restrictive. Happy eating!

The office of Dr. Maria Maranzini-Grosman (Board Certified Pediatric Dentist) and Dr. Alon Grosman (Specialist in Orthodontics) is located at South Flamingo Road on the NW corner of Griffin and Flamingo Road. For more information or to schedule an appointment, call 954-236-3434.

Get to Know Davie's 2026 "Sheroes" Seven Individual Women of Distinction

by Mayor Judy Paul

Q 2026 Women's History Month "Sheroes" Award Recipients

Caryl Hattan

A proud Davie resident since 1977, Caryl Hattan's journey of service began with her election to the Town Council in March 2010. Re-elected without opposition in 2013, 2016, and 2022, she devoted 16 years as a full-time Councilmember, concluding her extraordinary service in February 2026. The council collectively chose a former Councilwoman to be honored.

Known for her open-door philosophy, Caryl's welcoming words — "Come on in, we'll have a chat. I am here to serve you!"— embodied her devotion to her community. Her leadership brought meaningful improvements throughout District 2, including the creation of the skate arena at Pine Island Park, inspiring young people and families alike.

Beyond her work on the Council, she played a vital role on several key regional boards—from the Broward County Continuum of Care Board to her leadership as Vice Chair of the Broward County Housing Council and as Davie's voice on the Broward Metropolitan Planning Organization. Her tireless advocacy extended Davie's influence and made a positive difference across our region.

Myra Neely

Since 1991, Myra Neely has called Shenandoah home, embracing the Town

of Davie with heartfelt devotion and pride. Councilmember Luis is proud to recognize Myra.

Myra's selfless spirit shines in every aspect of her life. Beyond her family, she devotes her time to the Boys and Girls Club, playing a pivotal role in organizing and raising funds at the annual Ranch Roam event. Her dedication has enriched countless young lives and strengthened the fabric of the community.

Myra's passion for baking is a true extension of her talents. She has had Cake Craze for over 20 years; Myra has also served as the dedicated secretary on the Shenandoah HOA board and DRB committee—her commitment is a shining example of steadfast leadership and service.

Gloria Hood

Gloria Hood's journey began in the United States Navy, where she selflessly cared for fellow military personnel in hospital settings during the Vietnam War. As a female Corp wave, she broke barriers and lifted spirits, finding the deepest reward in forging genuine connections with those she served. Gloria was nominated by Councilwoman Starkey.

After her military service, Gloria embraced new adventures with an open heart. She married and settled in Davie in 1989.

Gloria was instrumental in launching the

Forest Ridge Crime Watch and played a key role as a founding member of the Holly Day Parade in Forest Ridge, dedicating two decades to bringing joy and unity to her neighbors.

Gloria's zest for life extends to her many talents. A gifted cook, her award-winning recipes, and her four cookbooks are a testament to her creativity and generosity. Her passion for the arts led her to teach dance and excel as a professional ballroom dancer, inspiring others to find joy and confidence through movement.

Dr. Diana J. Galindo

Dr. Diana J. Galindo wears many hats, each with passion and purpose. Chosen by Mayor Paul, she shines as a renowned physician at Cleveland Clinic Florida. She brings compassion, expertise, and vision to her roles in internal medicine, geriatrics, and as Director for the Center for Geriatric Medicine. Since moving to Davie in 1998, Dr. Galindo has been a beacon of hope and leadership, inspiring colleagues and patients alike with her unwavering dedication.

Born and raised in the Philippines, Dr. Galindo's journey is a testament to the power of perseverance and dreams. She earned her medical degree from the University of the Philippines College of Medicine, trained at the esteemed St. Mary's Hospital—an affiliate of the Yale School of Medicine—and completed her Geriatrics fellowship at the University of Miami. Driven by a desire to give back and shape the future, she left her role as Associate Professor of Clinical Medicine at UM to establish a ground-breaking geriatrics fellowship at Cleveland Clinic Florida.

Dr. Galindo stands as a trailblazer in geriatrics, celebrated not only for her clinical excellence but for inspiring the next generation of physicians. Honors like Cleveland Clinic Florida's Educator of the Year and Master Clinician of the Year, as well as national recognition as one of the Top 100 Most Influential Filipino Women in the US, reflect her far-reaching impact. Her peers, patients, and community look to her as a role model who lifts others as she rises.

A woman of many talents, Dr. Galindo holds a black belt in Karate, infusing her life with discipline and strength. Beyond her

medical achievements, she actively uplifts women in medicine—serving as President of the national American Medical Women’s Association in 2007 and now guiding others as part of their Leadership Council

Lisa Alvarez

Lisa Alvarez was nominated by Mayor Paul. She is an inspiring force in the world of Global Luxury Real Estate, representing Coldwell Banker and consistently ranking among the Top 25 Real Estate Agents in Davie. Those who know her describe her as ambitious, loving, and helpful—a true testament to her character and impact.

Lisa’s connection to Davie is woven into the very fabric of her life. Even before making Davie her home in 1980, she was already galloping through its storied rodeos since 1972—a testament to her lifelong embrace of the town’s vibrant western and equestrian heritage.

In 1989, Lisa and her husband, Orlando, etched their love story into local history by becoming the first couple ever wed at St. Bonaventure Catholic Church—a milestone that stands as a symbol of legacy, faith, and cherished memories she holds close to her heart.

Lisa’s commitment to service shines brightly throughout Davie. As a member of the Town of Davie Planning and Zoning Board from 2020 to 2024, she has been a guiding force in responsible development and positive change. Since 2017, her leadership as Director of the Orange Blossom Pageant has helped preserve and celebrate one of Davie’s most cherished community traditions, inspiring generations to come.

Lisa’s unwavering passion for community shines through her active involvement in the Davie Women’s Club, the Davie and Cooper City Chamber of Commerce, the Jazz Society since 2018, and the South Florida Trail Riders. Through these organizations, she uplifts others and helps preserve the vibrant culture and equestrian spirit that make Davie unique.

Sherryl King Weathers

Sherryl King Weathers, nominated by Mayor Paul, begins her story in the vibrant heart of Dade County—the “305”—where

her roots shaped her resilience and vision. In 2017, she brought her passion and spirit to Davie. A proud graduate of Miami Central Senior High School, Sherryl rose to the top 10% of her class, earned academic honors, and served as her senior class vice president, setting the stage for a lifetime of leadership.

A lover of live music, especially jazz, Sherryl celebrates community culture and creativity wherever she goes. She’s an enthusiastic “mini- foodie,” deeply inspired by her son, Chef Keven Weathers II, who is currently a Sous Chef at Dogon, one of Washington D.C.’s hottest restaurants led by acclaimed Chef Kwame of Top Chef fame.

Sherryl’s leadership uplifts those around her and inspires others to believe in the power of giving back. She proudly serves in a variety of Leadership roles, including:

- Newly appointed Executive Director of the Davie Jazz Society (previously the Director of Communications)
- Former Miami Association of Realtors Broward-MIAMI division Governor (2021-2025)
- Former Chairperson of Miami Association Ambassadors Program (2024-2025)
- Florida Realtors state director
- Community Advisor, President of the NAF Academy of Culinary Arts at Miami Central Senior High School
- Chairperson of Miami Central Senior

High PTSA Committee

- Through her leadership, she continues to uplift her local community, promoting the arts, culture, and fostering meaningful collaborations across the Davie community & surrounding areas.

Leslie Schroeder

Leslie Schroeder, chosen by Vice Mayor Whitman, leads with vision and dedication as the Executive Director of the Old Davie School and as Commissioner of the Central Broward Water Control District, inspiring others through her unwavering commitment to service.

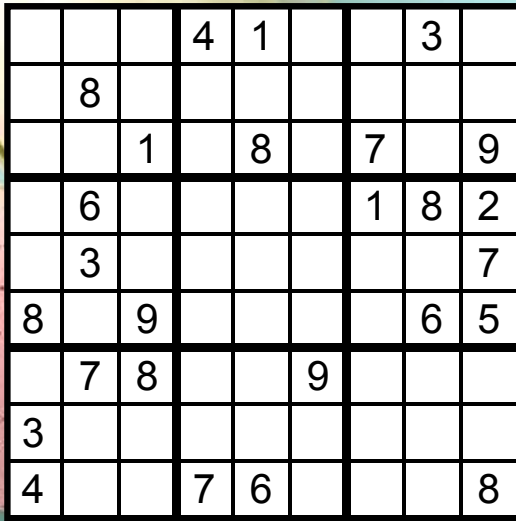

Leslie’s deep-rooted connection to Davie is a testament to her abiding love for her hometown and its people. She is a third-generation South Floridian. Her mom and grandmother were both born in Davie. Leslie grew up showing Arabian horses – riding saddle seat – and made it to the Arabian National Championships, placing in the top five.

Leslie has been an active member of the community and has served on various boards and committees, including:

- Town of Davie budget advisory committee member from 2020 to present
- Soroptimist International of Davie member from 2010 to present
- Davie Cooper City Chamber of Commerce board member from 2020 to 2025
- Rotary Club of Davie/Cooper City from 2022 to 2025
- Circle of friends at Alvin Sherman Library on NSU campus from 2023 to present

Her advocacy for Davie is also rooted in her pioneering spirit. Leslie owned McCall Nursery & Landscape, Inc., a thriving wholesale nursery and landscape company, and Wilson Road Company, a land development business. Her achievements in business have left a lasting imprint on the community she loves.
